REACHING THE U.S. MILITARY FOR CHRIST

JUDE 22 AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE

December 2014

Ephesians 5:17 Wherefore be ye not unwise, but understanding what the will of the Lord is.

This has been a great year in the ministry here at Calvary Baptist Church located in Marsure, Italy. This past Sunday we had an Air Force dependent wife trust Christ as her Saviour and we also had another young Air Force couple join our church. We continue to pass out thousands of gospel tracts in all the areas surrounding the base to both Americans and Italians.

There is no doubt that God is doing a great work here. But I also understand that it makes Satan angry when great things are happening in the church. Satan's desire is to keep the lost lost and to discourage the saints of God. In the past 2 weeks our clothes washer died and my desktop computer died. Then this morning we had a missionary present his work and we were using my video projector and the bulb blew out, which is very expensive to replace. Also (believe it or not) my laptop's battery will not hold a charge any longer. The monetary costs are great but I know that God always provides for our needs. It is very inconvenient but I am not worried. When Lou Anne asks me what I need for Christmas I really don't have to think too hard. I am not discouraged but rather encouraged because Satan wouldn't be fighting us so hard if we were not trying to do something for God.

We arrived in Italy January 16, 2014, and my mother died in May. Needless to say that was a very hard time in our lives. Then, who would ever guess that 6 months later we would have another tragedy in our family. Last week we got the news that Lou Anne's mother died. It was very unexpected and all of a sudden. Please pray for Lou Anne as she will be traveling back to the states for a couple of weeks to be with her family during this very difficult time. I will be staying in Italy because we have so much going on here especially this time of the year. Both Lou Anne and I loved our mothers very much and will miss them both greatly. But both our mothers had come to Christ years ago and we stand on the promise of that blessed hope that we will see them again in Heaven someday. Our one year anniversary of serving the Lord in Italy will soon be arriving. Please pray for us, our family, and our church.

We pray that you will all have a blessed Christmas, and that God would bless each one of you this coming year more than He did in the past year.

Please pray for our military folks and their families. This is also the hardest time of year for those who are so far away from their extended families. It is a part of our ministry to make the holidays special for those service members and their families who attend Calvary Baptist Church in Aviano.

Merry Christmas,

In Christ,

Chris & Lou Anne War
