

Happy 2014 Friends & Family!

This month marks 2 years since we began deputation. In this time we have visited nearly 100 churches, 23 states and praise the Lord that we have 65% of our needed support coming in.

We had a wonderful Christmas. James' favorite part of his 1st Christmas was all the wrapping paper! Zachary "helped" him open his gifts and decided to help a few other people too. We're praying that our next Christmas will be in the Republic of Georgia!

We're thankful for a full meeting schedule this spring, and looking forward to conferences in California, New York and Maryland.

Please pray with us for these things:

- 1) For the last 35% of our support to come in
- 2) For the boys, as they are in new places each week
- 3) For us to have safety as we travel

Thank you all for your prayers & support!

From Georgia to Georgia,

The Breazeale Family
