JUDE 22 AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE

October 2014

Mark 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.

We have had some unexpected guests showing up at our house the last few weeks. A couple weeks ago Lou Anne was taking our clothes out of our hamper with her hands. After taking all our clothes out, on the bottom under all the clothes, was a huge scorpion looking up at her. That was one creature she was not happy to see. Then a few nights later Lou Anne walked into the hallway and I hear a scream I ran out into the hallway and there was Mr. Scorpion's brother looking up at Lou Anne she didn't know what to do. So I sent him the same place I sent his brother the day before. Squashed in a paper towel and put in the trash. We have seen several others since. Our Italian neighbor said the only way to kill scorpions is with a shoe. She may be right.

We had our first Italian neighbors over for dinner. We all had a very nice time talking. My thought was that I would build a bridge with them before I started talking to them about the Bible and Jesus Christ. Well they know we are Baptist missionaries so the curiosity must have got the best of them. Sitting around the table after dinner and while drinking coffee, they started to ask us all sorts of questions about the Bible and what we believe. We shared with them many truths of the Bible and they listened intently. They told us they would like to have us over to their house for dinner next. Please pray for our Italian neighbor's salvation, that they would trust Jesus and Him alone to go to Heaven.

One of the ladies from our church, Jodi, came up and talked to me after the morning service. Jodi teaches college classes on the base. She told me that one of her students named, Genesis, came up to her and told Jodi that she was different, and that Jodi had something that she needed in her life. Jodi explained to her that the difference was because she had trusted Jesus Christ as her Saviour. Genesis told Jody that she wanted what she had, and Jody led Genesis to the Lord. After telling me her amazing testimony about Genesis Jodi invited Lou Anne and I to go out for coffee on Monday. When we walked into the coffee shop, there was a lady sitting there with Jodi. It was Genesis, the lady Jodi won to the Lord. Jodi said that Genesis just happened to walk in. She said that God must have planned this meeting out. We sat and talked for a long time going over salvation with Genesis. In fact, she really had accepted Christ as her Saviour. She said that she would be in church Wednesday night. Please pray for Genesis, for her spiritual growth, and that she comes to church. Also pray for her husband, who is in the Air Force, as he has no interest in God.

Please pray for those stationed in Aviano and their families. Please pray for our family back in the states and of course pray for me, and Lou Anne, and Calvary Baptist Church.

In Christ,

Chris & Lou Anne War
